ATTY. DOCKET NO.

**SERIAL NO.**

2018-881

### To be assigned

**APPLICANT**

KOBAYASHI, M. et al.

FILING DATE

TC/A.U.

(Use several sheets if necessary)

May 20, 2004

**U.S. PATENT DOCUMENTS**

[illegible]

## FOREIGN PATENT DOCUMENTS

[illegible]

**OTHER DOCUMENTS (Including Author, Title, Date, Pertinent pages, etc.)**

The graph illustrates the cumulative probability of achieving at least one success in a Bernoulli process over a series of trials. The x-axis represents the number of trials (0 to 10), and the y-axis represents the cumulative probability (0 to 1). The curve shows that the probability of at least one success increases rapidly in the first few trials and then levels off as the number of trials increases.

**\*Examiner**

**Date Considered**

8/12/05

Examiner: Initial if reference considered, whether or not citation is in conformance with MPEP 609; Draw line through citation if not in conformance and not considered. Include copy of this form with next communication to application.
